Let's Go Sailing!

Sailing is our passion. The sport defines who we are and impacts our lives in deep ways. **Racing** is one of the most fascinating forms of this sport. Combining comradery, team building, strategy, tactics and persistence into good times and hard-earned victories.

And **look at the place we live** where we get to go racing! **Lake Washington** offers **one design racing** with complex strategy and the breathtaking backdrop of Mount Rainier. **Puget Sound** offers one-design and **PHRF** racing and adds competing flows of wind going around each side of the scenic Olympic Mountains.

CYC is a **volunteer organization**. We are proud as members to deliver on the club's purpose:

To promote, advance and encourage the sport of Corinthian (amateur) sailing, including racing and cruising, and to strengthen the sailing community through the voluntary actions of its members.

The **CYC racing program** is a testament to what we can achieve. I encourage you to **enjoy the racing** in all its aspects. We also need your **feedback** and your **volunteering**. Reach out to anyone of us at www.cycseattle.org/contact/ and tell us about your interests. Or just find us after racing at a BBQ or in the club house.

Jakob Lichtenberg,
Commodore

Spring is upon us and that means sailboat racing! Our club is one of the most active sailboat racing clubs in the country with one design racing on Lake Washington and one-design and keelboat racing off Shilshole. If you are new to the club (or the area) please reach out to me or any club member, and we will be glad to help you connect with our fleets and experience the joy of racing in our area. If you are a veteran of many campaigns, we welcome you back for another great season.

As always, and in particular this season, the call also goes out for volunteers. Whether you serve on a race or protest committee, or work behind the bar or cleaning up the clubhouse after an event, your participation is critical to making our events successful and enjoyable to everyone.

I personally urge you to participate fully in our club in every possible aspect. This club is run for, and by, members just like you, your family and your crew, and as such you are investing in yourself and your community by helping out.

Please join me, the board and our volunteers and staff in making this season one to remember. Feel free to reach out to me directly if you have any questions, and see you on the water!

Matthew Wood,
Fleet Captain Race & PHRF -NW Handicapper

About the Club

Our club was founded in 1945 by sailors who came up with the idea while in a ski hut in the Cascade Mountains. They wanted to race more and socialize more with their sailing friends. Corinthian Yacht Club has become the region's preeminent club for people who love sailing, whether or not they happen to own a boat. Our activities include racing, cruising, youth sailing, education, and social events.

The club is a Washington nonprofit corporation that is owned by the members. While it is not a charity, it is also not a typical company or nonprofit. Instead it is more of a cooperative with shared property where the members remain in charge of managing the organization and fulfilling a currently relevant vision.

Members are individuals and families. Juniors who are 18 and under are members within their family's membership. There are also business and fleet memberships.

The membership as a whole has ultimate say over club matters and meets at least annually to elect representatives, maintain the bylaws, and approve major decisions. The Board of Trustees, composed of elected Officers and Directors, meets at least monthly to oversee club operations and approve policy. The Officers, led by the Commodore as chief executive, execute the ongoing business of the club. Various committees are formed by the Board to carry out given responsibilities and events.

A lean crew of staff report to the Commodore. Our staff handle business operations to facilitate the members who make things happen. The number of staff is low to keep our dues low, and that means we should expect to pitch in extensively.

We have the club to do more of what we, as sailors, want to do together than we could on our own. The love of sailing is our bond and the interaction of our great people is our value. The club is our platform to help us share our excellent sailing lifestyle with more people and do more with each other and for each other.

Club Programs

Racing

Corinthian sailors have been racing on Lake Washington at Leschi since our founding in 1945 and on Puget Sound out of Shilshole since before members built our clubhouse in 1969. We have heard that we run more races than any other private club in the country. Corinthian members are passionate about racing.

Evening racing on Lake Washington runs from mid-April through mid-September with J-24s racing on Tuesday and Thistles, San Juan 24s, and Thunderbirds racing on Wednesday. The Lake Fall Regatta follows the evening series for a weekend event out of Leschi. Additional fleets are welcome to form.

Evening racing on Puget Sound runs over the same period with keelboats racing on Wednesday and I-14, 505, Star, Tasar, Vanguard 15, RS Aero, Laser, Snipe, and Optimist classes racing on Thursday. We offer the Center Sound Series mid-distances races in March and run several weekend buoy-racing regattas. Over the summer months, we also support casual racing on Friday nights off the breakwater.

Cruising

The Pacific Northwest is a world-class place to cruise and many of our members take part on cruises organized by volunteers. There are about a dozen events each year. Members with boats bring them and members without boats ship as crew. Former, current, and perhaps future racers all take part in cruising together.

Youth Sailing

We've ramped up our youth sailing with the Summer Sail Camp providing education to as many as 140 juniors, intermediate to advanced clinics, Guppy sailing on summer Wednesdays evenings, and family evening sailing on Fridays for young families to enjoy the marine environment.

Education

Our members love to learn and share. Each year we run dozens of education events including the Rookie Rally (learn how to crew and race), pre-race strategy chalk talks, cruising presentations, first aid, US Sailing courses (race management, judging, safe powerboat handling), markset driver training, women's sailing clinics, and even volunteer bartender training.

Social

Getting people together on and off the water is probably the most rewarding value of the club. Leschi sailors get together after racing at the BluWater and at club-organized barbecues. Our Shilshole clubhouse is open to members Thursdays and Fridays and after evening and weekend racing (over 100 nights a year). The bar is often run by volunteers and affordable dinners are expertly prepared by our private chef, serving several thousand meals per year. Sometimes we're just open to hang out and other times we have a program, like live music, wine tastings, and sailing presentations by our members. Check the website calendar and join in.

Race Registration

Registration

Online race registration is available at www.cycseattle.org.

Deadlines

Please register as early as possible to help build your fleet. Registrations must be submitted online or received at the club by close of business (normally 5 PM) on the entry deadline. The deadline is stated in the Notice of Race and is typically two days before the event. Registrations accepted at the discretion of the race committee after the deadline may be assessed a \$20 late fee.

Season's Pass

Discount packages are available for members only (Adult/Family, Senior, Honorary Life, and Junior), as follows:

Lake Season's Pass (+ Sound Weekends). Good for all CYC races on Lake Washington, which includes the Spring, Interim, Summer, and Fall Evening series for either Tuesday or Wednesday night, plus the Lake Fall Regatta, plus all CYC Puget Sound weekend races. This is for you if you sail the weeknights, and you will achieve even more substantial savings when you sail more. Your efforts to sail multiple venues are greatly appreciated by your fellow members!

Sound Season's Pass (+ Lake Weekends). Good for all CYC races on Puget Sound, which includes the Spring, Interim, Summer, and Fall Evening series for either Wednesday or Thursday night, plus Puget Sound weekend races, plus the Lake Fall Regatta. This is usually very worthwhile if you sail five or more events, such as the four weeknight series and one weekend, or three weeknight series and two weekends. Add even more sailing for no extra charge!

The Season's Pass is for a given owner and boat or, if you happen to change boats mid-season, for a type of boat that would continue to use the same package. For unique circumstances, contact the Fleet Captain Race.

Location: Lake Washington off Leschi.

Classes:

Tuesdays:	J/24
Wednesdays:	Thunderbird, San Juan 24, Thistle and other centerboard and small keelboat classes with at least five boats may apply.

Schedule:

1715 – 1745	Practice starts (when available)
1800	First warning signal

The race committee intends to conclude racing no later than a time that will permit boats to return to Leschi Marina before dark.

Courses: Courses will typically be windward / leeward and may include gates, offsets, and gybe marks. A target of at least two and up to four races may be sailed each day with a typical race duration of 20 to 60 minutes.

Scoring: A boat's series score will be the total of her race scores, except that a boat's worst score will be excluded if at least four races are completed, two scores will be excluded if at least seven races are completed, and three scores will be excluded if at least ten races are completed. This changes RRS A2.1. One race will constitute a series.

Time Limit: 90 minutes for the first boat in class and for other boats 30 minutes after the first boat that sails the course.

Other Provisions:

- Notice of Race amended by CYC Notice of Race Addendum.
- Eligibility: CYC Adult/Family, Senior, Honorary Life, and Junior members. Prospective members may race in these series for up to 12 months.

CYC Notice of Race Addendum

The CYC Notice of Race Addendum is common language that a particular Notice of Race may specifically incorporate.

The organizing authority is the Corinthian Yacht Club of Seattle (CYC).

1 Rules

- 1.1 This regatta will be governed by the rules as defined in the Racing Rules of Sailing (RRS).
- 1.2 US Sailing prescriptions to the following rules apply: RRS 34, 40, 48.1, 60.3, 61.4, 63.2, 63.4, 64.3(b), 67, 70.5(a), 76.1, 82, 86.3, 88.2, Appendix G and R. Inclusion of additional prescriptions may be noted elsewhere in the Notice of Race or Sailing Instructions. US Sailing prescriptions are available at www.ussailing.org.
- 1.3 Changes to the rules may be noted elsewhere in the Notice of Race or Sailing Instructions. If the Notice of Race and Sailing Instructions are in conflict, the Sailing Instructions have precedence.
- 1.4 Prior to the publication of the Sailing Instructions, changes to the Notice of Race will be available on the CYC website at www.cycseattle.org. After the publication of the Sailing Instructions, changes to the Notice of Race will be available on the official notice board described in the Sailing Instructions.

2 Eligibility and Entry

- 2.1 Entrants must register online at www.cycseattle.org, or by form delivered to CYC, and pay appropriate fees by the registration deadline. Registrations accepted at the discretion of the organizing authority or race committee after the deadline may be assessed a \$20 late fee.
- 2.2 Boats must be insured with valid third-party liability insurance with coverage of at least \$300,000 per incident.
- 2.3 A boat wishing to use sails with identification different from her own must receive permission from the organizing authority by the registration deadline or when her late registration is accepted. This changes RRS 77.
- 2.4 A boat racing in a handicap class must ensure that her correct handicap class rating is issued and recorded by the class organization by the registration deadline or when her late registration is accepted. Boats participating without a valid class certificate will not be entered or scored and her entry fee may not be refunded. A change in a boat's handicap class rating will take effect on the day it is recorded by the class organization. Changes are not retroactive. When a boat's handicap class rating changes between races that are part of a series, the boat remains in the same class in which she started the series.
- 2.5 A boat rated by her handicap class in consideration of water ballast may use water ballast as rated. This changes RRS 51.
- 2.6 Competitors give absolute right and permission for images and video of themselves and their boat to be published for commercial purposes by the

event organizing authority and sponsors and their licensees and may be required to sign a release to complete the boat registration.

- 2.7 Competitors may be required to complete release of liability, depiction release, medical consent, and medical and emergency information forms and agreements to complete the boat registration.

3 Operating and Equipment Requirements

- 3.1 Sailing is an activity that has an inherent risk of damage and injury.

Competitors in this event are participating entirely at their own risk. See RRS 4, Decision to Race. The responsibility for a boat's decision to participate in a race or to continue racing is hers alone. The race organizers (organizing authority, race committee, technical committee, protest committee, host club, sponsors, or any other organization or official) will not be responsible for damage to any boat or other property or the injury to any competitor, including death, sustained as a result of participation in this event. By participating in this event, each competitor agrees to release the race organizers from any and all liability associated with such competitor's participation in this event to the fullest extent permitted by law.

- 3.2 For centerboard boats, competitors must wear personal floatation devices, as in RRS 40, and, for regattas November through March, must also wear a wetsuit or drysuit. These requirements apply while afloat except briefly while changing or adjusting clothing or personal equipment.

- 3.3 Boats designated in the applicable Notice of Race must comply with the equipment requirements of *US Sailing US Safety Equipment Requirements* (USSER), according to the category requirement identified, if any, in the Notice of Race. The text of these regulations is available from the US Sailing website at www.ussailing.org. The following changes apply to USSER Nearshore:

- (a) USSER 2.4 required, except for boats under 9 meters or boats under 12 meters with crew position inboard except briefly to perform a necessary task. For boats that do not meet USSER 2.4, competitors must wear personal floatation devices, as in RRS 40, while afloat except briefly while changing or adjusting clothing or personal equipment.
- (b) USSER 2.4.4 amended to add "Wire recommended for durability; however, if the person in charge believes it to be safer for the crew, lifelines may be high molecular weight polyethylene (HMPE) line with spliced terminations or terminals specifically intended for the purpose. When HMPE is used, the load-bearing portion (core) shall meet or exceed minimum diameter requirements."
- (c) USSER 2.7.2 required.
- (d) USSER 3.7.2 required, "a man overboard pole and flag, with a lifebuoy" changed to "a lifebuoy", light required from sunset to sunrise.
- (e) USSER 3.22 required.
- (f) USSER 3.26 required.

- 3.4 Keelboats must comply with federal safety regulations concerning life jackets (33 CFR 175 Subpart B), visual distress signals (33 CFR 175 Subpart C), fire extinguishers (46 CFR 25.30), sound producing devices (33 CFR 83 Subpart D), and navigation lights (33 CFR 83 Subpart C). These are identified in US Coast

Guard publication *A Boater's Guide to the Federal Requirements for Recreational Boats*, available at publications.usa.gov or www.uscgboating.org.

- 3.5 The race committee or technical committee may inspect a boat at any time before or after racing for compliance with requirements.
 - 3.6 Penalties under CYC Notice of Race Addendum 3 may be less than disqualification. This changes RRS 64.1.
- #### 4 Scoring
- 4.1 The time limit is the maximum allowable time from a boat's starting signal to her finishing time or a time of day. A boat that does not finish within the time limit will be scored Did Not Finish (DNF). This changes RRS 35.
 - 4.2 A boat that did not start (OCS), did not finish (DNF), retired (RET), or is disqualified (DSQ, DNE, DGM, UFD, BFD) will be scored for the finishing place one more and a boat that did not start (DNC, DNS) will be scored for the finishing place two more than the number boats starting and finishing and not thereafter retiring or being disqualified. This changes RRS A4.2. RRS A9 is deleted.
 - 4.3 Corrected times for PHRF-NW handicap classes will be calculated using the Time on Distance method.
- #### 5 Sailing Instructions
- 5.1 Sailing Instructions will be available two days before the regatta on the CYC website at www.cycseattle.org or, if not available on the website, on the notice board at the CYC clubhouse.

US Sailing US Safety Equipment Requirements (USSER)

Nearshore Category as Amended by the CYC Notice of Race Addendum

Section Name	#	Requirement	Nearshore
Definition	1.0.3	Nearshore: Races primarily sailed during the day, close to shore, in relatively protected waters.	Required
Overall: Responsibility	1.2	The safety of a boat and her crew is the sole and inescapable responsibility of the "person in charge", as per RRS 46, who shall ensure that the boat is seaworthy and manned by an experienced crew with sufficient ability and experience to face bad weather. S/he shall be satisfied as to the soundness of hull, spars, rigging, sails and all gear. S/he shall ensure that all safety equipment is at all times properly maintained and safely stowed and that the crew knows where it is kept and how it is to be used.	Required
Overall: Inspections	1.3	A boat may be inspected at any time by an equipment inspector or measurer appointed for the event. If she does not comply with these regulations, her entry may be rejected or she will be subject to a protest filed by the RC. A Violation of the Safety Equipment Requirements may result in a penalty other than disqualification.	Required
Overall: Equipment and Knowledge	1.4	All equipment required shall function properly, be regularly checked, cleaned and serviced, and be of a type, size and capacity suitable for the intended use and size of the boat and the size of the crew. This equipment shall be readily accessible while underway and, when not in use, stored in such a way that deterioration is minimized.	Required
Overall: Secure Storage	1.5	A boat's heavy items such as batteries, stoves, toolboxes, anchors, chain and internal ballast shall be secured.	Required
Overall: Watertight Integrity	1.7	A boat's hull, including, deck, coach roof, windows, hatches and all other parts, shall form an integral watertight unit, and any openings in it shall be capable of being immediately secured to maintain this integrity.	Required
Hull and Structure: Stability	2.2.3	A boat with moveable or variable ballast (water or canting keel) shall comply with the requirements of Appendix K.	Required
Hull and Structure: Lifelines	2.4.1	A boat's deck including the headstay shall be surrounded by a suitably strong enclosure, typically consisting of lifelines and pulpits, meeting the requirements in 2.4.2 to 2.4.8. <i>(CYC Notice of Race Addendum 3.3(a): USSER 2.4 required, except for boats under 9 meters or boats under 12 meters with crew position inboard except briefly to perform a necessary task. For boats that do not meet USSER 2.4, crew must wear personal floatation devices, as in RRS 40, while on the water except briefly while changing or adjusting clothing or personal equipment.)</i>	<i>CYC Required (see NOR)</i>
Hull and Structure: Lifelines	2.4.2	A boat's stanchion and pulpit bases shall be within the working deck.	<i>CYC Required (see NOR)</i>

Section Name	#	Requirement	Nearshore
Hull and Structure: Lifelines	2.4.3	Bow pulpits may be open, but the opening between the vertical portion of stanchion pulpit and any part of the boat shall not exceed 14.2" (360mm).	CYC Required (see NOR)
Hull and Structure: Lifelines	2.4.4	Lifelines shall be uncoated stainless steel wire. A multipart-lashing segment not to exceed 4" per end termination for the purpose of attaching lifelines to pulpits is allowed. Lifelines shall be taut. <i>(CYC Notice of Race Addendum 3.3(b): Wire recommended for durability; however, if the person in charge believes it to be safer for the crew, lifelines may be high molecular weight polyethylene (HMPE) line with spliced terminations or terminals specifically intended for the purpose. When HMPE is used, the load-bearing portion (core) shall meet or exceed minimum diameter requirements.)</i>	CYC Required (see NOR)
Hull and Structure: Lifelines	2.4.4.1	Lifeline deflection shall not exceed the following: a) When a deflecting force of 9 lbs (40N) is applied to a lifeline midway between supports of an upper or single lifeline, the lifeline shall not deflect more than 2" (50mm). This measurement shall be taken at the widest span between supports that are aft of the mast. b) When a deflecting force of 9 lbs (40N) is applied midway between supports of an intermediate lifeline of all spans that are aft of the mast, deflection shall not exceed 5" (120mm) from a straight line between the stanchions.	CYC Required (see NOR)
Hull and Structure: Lifelines	2.4.5	The maximum spacing between lifeline supports (e.g. stanchions and pulpits) shall be 87" (2.2m).	CYC Required (see NOR)
Hull and Structure: Lifelines	2.4.6	Boats under 30' (9.14m) shall have at least one lifeline with 18" (457mm) minimum height above deck, and a maximum vertical gap of 18" (457mm). Taller heights will require a second lifeline. The minimum diameter shall be 1/8" (3mm).	CYC Required (see NOR)
Hull and Structure: Lifelines	2.4.7	Boats 30' and over (9.14m) shall have at least two lifelines with 24" (762mm) minimum height above deck, and a maximum vertical gap of 15" (381mm). The minimum diameter will be 5/32" (4mm) for boats to 43' (13.1m) and 3/16" (5mm) for boats over 43' (13.1m).	CYC Required (see NOR)
Hull and Structure: Lifelines	2.4.8	Toe rails shall be fitted around the foredeck from the base of the mast with a minimum height of 3/4" (18mm) for boats under 30' (9.14m) and 1" (25mm) for boats over 30'. An additional installed lifeline that is 1-2" (25-51mm) above the deck will satisfy this requirement for boats without toerails.	CYC Required (see NOR)
Hull and Structure: Lifelines	2.4.9	Trimarans are exempted from the lifeline requirement where there is a trampoline outboard of the main hull, except that a lifeline must run from the top of a bow pulpit to the forward crossbeam at the outboard edge of the bow net or foredeck. Catamarans with trampoline nets between the hulls are exempted from the lifeline requirement. All catamarans are exempted from the need for pulpits and lifelines across the bow.	CYC Required (see NOR)

Section Name	#	Requirement	Nearshore
Hull and Structure: Dewatering pumps	2.5.3	A boat shall have a manual bilge pump of at least a 10 GPM (37.8 liter per minute) capacity.	Required
Hull and Structure: Mechanical Propulsion	2.7.2	A boat shall have a mechanical propulsion system that is quickly available and capable of driving the boat at a minimum speed in knots equivalent to the square root of LWL in feet (1.8 times the square root of the waterline in meters) for 4 hours. <i>(CYC Notice of Race Addendum 3.3(c): USSER 2.7.2 required.)</i>	<i>CYC Required (see NOR)</i>
	3.1.1	Each crewmember shall have a life jacket that provides at least 33.7lbs (150N) of buoyancy, intended to be worn over the shoulders (no belt pack), meeting either U.S. Coast Guard or ISO specifications. Alternatively, each crewmember shall have an inherently buoyant off-shore life jacket that provides at least 22lbs (100N) of buoyancy meeting either U.S. Coast Guard or ISO specifications.	<i>Not Required (see 3.1.3)</i>
Safety Equipment: Personal	3.1.3	Each crewmember shall have a life jacket intended for small boat sailing or other active boating. Each such life jacket shall be USCG, ISO, or applicable government approved or shall meet the ocean requirement of 3.1.1.	Required
Safety Equipment: Navigation Lights	3.3.1	A boat racing between sunset and sunrise shall carry navigation lights that meet U. S. Coast Guard or applicable government requirements mounted so that they will not be obscured by the sails nor be located below deck level.	Required
Safety Equipment: Fire Extinguishers	3.4	A boat shall carry fire extinguisher(s) that meets U.S. Coast Guard or applicable government requirements, when applicable.	Required
Safety Equipment: Sound Producing Equipment	3.5	A boat shall carry-sound-making devices that meets U.S. Coast Guard or applicable government requirements, when applicable.	Required
Safety Equipment: Visual Distress Signals	3.6.4	A boat shall carry U.S. Coast Guard (or applicable government entity) flares meeting day-night requirements not older than the expiration date.	Required
	3.7.1	A boat shall carry a Lifesling or equivalent man overboard rescue device equipped with a self igniting light stored on deck and ready for immediate use.	<i>Not Required</i>
Safety Equipment: Man Overboard	3.7.2	A boat shall have a man overboard pole and flag, with a lifebuoy, a self-igniting light, a whistle, and a drogue attached. A self-inflating Man Overboard Module, Dan Buoy or similar device will satisfy this requirement. Self-inflating apparatus shall be tested and serviced in accordance with the manufacturer's specifications. These items shall be stored on deck, ready for immediate use, and affixed in a manner that allows for a "quick release". <i>(CYC Notice of Race Addendum 3.3(d): USSER 3.7.2 required, "a man overboard pole and flag, with a lifebuoy" changed to "a lifebuoy", light required from sunset to sunrise.)</i>	<i>CYC Required (see NOR)</i>
Safety Equipment: Man Overboard	3.7.3	A boat shall have a throwing sock-type heaving line of 50' (15m) or greater of floating polypropylene line readily accessible to the cockpit.	Required

Section Name	#	Requirement	Nearshore
Safety Equipment: Man Overboard	3.7.4	A boat shall carry a Coast Guard or applicable government approved "throwable device". If the device carried under 3.7.1 or 3.7.2 satisfies this requirement, then no additional device is needed.	Required
Safety Equipment: Emergency Communications	3.8.3	A boat shall have a VHF radio which may be fixed or handheld.	Required
Safety Equipment: Navigation	3.19.1	A boat shall have a permanently mounted magnetic compass independent of the boat's electrical system suitable for steering at sea.	Required
Safety Equipment: Damage Control	3.22	A boat shall carry soft plugs of an appropriate material, tapered and of the appropriate size, attached or stowed adjacent to every through-hull opening. <i>(CYC Notice of Race Addendum 3.3(f): USSER 3.22 required.)</i>	<i>CYC Required (see NOR)</i>
Gear: Anchoring	3.23	A boat shall carry one anchor, meeting the anchor manufacturer's recommendations based on the yacht's size, with a suitable combination of chain and line.	Required
Gear: Lights	3.24.3	A boat shall carry at least two watertight flashlights with spare batteries in addition to the requirement of 3.24.1.	Required
Gear: Medical Kits	3.25	A boat shall carry a first aid kit and first aid manual suitable for the likely conditions of the passage and the number of crew aboard.	Required
Gear: Radar Reflectors	3.26	A boat shall carry an 11.5" (292mm) diameter or greater octahedral radar reflector or one of equivalent performance. <i>(CYC Notice of Race Addendum 3.3(g): USSER 3.26 required.)</i>	<i>CYC Required (see NOR)</i>
Gear: Dewatering	3.27.2	A boat shall carry one sturdy bucket of at least two gallons (8 liters) capacity with lanyards attached.	Required
Skills: Man Overboard	4.2	Annually, two-thirds of the boat's racing crew shall practice man-overboard procedures appropriate for the boat's size and speed. The practice shall consist of marking and returning to a position on the water, and demonstrating a method of hoisting a crewmember back on deck, or other consistent means of reboarding the crewmember.	Required
Skills: Crew Training	4.4	As required in 1.2 above the person in charge shall ensure that all crew members know where all emergency equipment is located and how to operate the equipment. In addition, the person in charge and crew should discuss how to handle various emergency situations including Crew Overboard, Grounding, Loss of steering, Flooding, Fire, Dismasting, and Abandon Ship.	Required

Puget Sound Sailboat Safety Regulations

2014 Revision as adopted by Shilshole Bay Yacht Club, Sloop Tavern Yacht Club, Corinthian Yacht Club of Seattle, and Seattle Yacht Club

We must share Puget Sound with its commercial traffic, including many deep-water vessels and tows. It is sobering to note that, if your boat is one mile dead-ahead of a freighter coming down the Sound at normal speed, and the freighter's helm is put hard over to avoid you, the freighter's bow will miss you, but her stern will not! Obviously, this implies that early and decisive action is required to keep your boat out of the path of a large oncoming vessel or tow. The requirements of this document may be incorporated into an event by reference in a notice of race.

1. Yachts must not sail across a tow line, too close ahead, or too close alongside of commercial traffic. Deep water vessels have limited ability to change course and speed. Barges under tow can yaw unexpectedly well out to the side at speeds essentially the same as they are being towed. Yachts should not pass less than one mile ahead and 1/4 mile to the side of large vessels.
2. Rule 10 of the International and Inland Rules to Prevent Collisions at Sea (COLREGS) requires that no power-driven vessel less than 20 meters (66 feet) in length, and no sailing vessel (of any size) may impede the safe passage of a power-driven vessel following a Vessel Traffic System (VTS) Lane.
3. Rule 9 of the COLREGS requires that no power vessel of less than 20 meters (66 feet) in length and no sailing vessel (of any length) shall impede the safe passage of any vessel which can navigate only within a narrow channel or fairway. Puget Sound can be considered a "narrow channel" for most large commercial traffic. "Impede" means to cause to alter speed or course or to take evasive action.
4. A yacht in position where it may impede commercial traffic must exit from the "danger area" immediately, under auxiliary power if necessary. If power is used, it must be reported to the Race Committee at the finish line. Also, a written report must be made on a protest form, showing the location, time, duration of power use, speed, direction of exit, and that the competitive position of the yacht was not improved. If the last item cannot be demonstrated adequately, a time penalty may be imposed.
5. Navigation lights must be shown between sunset and sunrise as required by the International Rules of the Road.
6. Observed and/or reported violations of the safety regulations may be protested. The Race Committee shall have the option of issuing a "warning" when deemed appropriate. Warnings are recorded and may be considered when judging any future reports.

US Coast Guard Warning

The following information was provided by the US Coast Guard.

Do not approach within 100 yards of any Navy Vessel, Washington State Ferry, or Ship. If you need to pass within 100 yards of these vessels in order to ensure a safe passage in accordance with the Navigation Rules, you must contact the ship on VHF-FM channel 16 or 13. (33 CFR 165.2030, 165.1317, 165.1313)

You must operate at minimum speed within 500 yards of any of these vessel types.

Violations of these Security Zones are a felony offense, punishable by up to 6 years in prison and/or up to \$250,000 in fines.

Buoy Course Marks (relative positions)

This is a typical configuration. Please note that the Sailing Instructions for a particular regatta may use modified or different mark descriptions.

The course diagram for buoy course marks shows the general orientation of the race committee signal boat ("R/C"), other marks (identified by the letters S, A, B, C, O, G, X, Y, Z and F), and the intended wind direction. All buoy course marks other than the race committee signal boat are inflatable buoys. Positions are approximate and the diagram is not to scale.

Notes:

- S When a starting mark for a downwind start, may be on either side of the race committee signal boat.

Puget Sound Geographic Marks (fixed positions)

Bearings are magnetic. Distances are nautical miles (NM). Bearings, distances, and positions are approximate. Each temporary mark is shown with its label in a circle. Each permanent mark is near its label in a square box.

- D Duwamish Head Lt. (LL #16910)
- E Shilshole Bay Entrance Lighted Buoy G "1" (LL #18125)
- H Temporary mark 0.3 NM E of Skiff Pt.
- I Temporary mark 0.5 NM N of Alki Pt.
- J Round ball buoy with flag 0.25 NM SSW of marina N entrance
- K Blakely Rock (LL #16830)
- L White buoy 0.5 NM SW of marina S entrance

Because you love sailing, please consider joining the Corinthian Yacht Club of Seattle. We need all the people who enjoy the club to sign up and be a part of supporting our community through our organization. Many of our members continue to be members of other clubs, each supporting our sport in their own way. Even if you don't happen to own a boat, you can own our yacht club and claim your equal stake and influence in supporting our sailing way of life through the club. The Adult/Family membership is just \$38.50 a month. Please talk with your friends who are members about joining.
