

## **CYC Lake Washington/Leschi Evening Series 2023 Sailing Instructions**

### **Amendment No.1**

The sailing instructions for this series are amended as of 6-18-2023 as follows:

#### **Addendum 1 - Vakaros Race Sense System Provided by the Organizing Authority for J24 Class**

1. This addendum shall apply to all J/24 boats racing on the following dates: June 20th, July 11th, July 25th
2. A *Vakaros Atlas 2* device and mast strap bracket will be provided to all boats by the OA for racing on the above dates.
  - a. Boats shall always have a *Vakaros Atlas 2* attached to the aft side of the mast using the supplied bracket, and the device must be always turned on while racing.
  - b. Spare *Atlas 2* devices are available on the committee boat if a competitor has a problem with their device.
  - c. Devices and brackets will be provided to each boat prior to racing each night, and must be returned post racing as soon as possible.
3. The *Vakaros RaceSense* system will be used for this regatta. *Atlas 2* devices will display an automatic countdown timer, distance to line, and OCS notification for any boats identified by the system as having crossed the starting line early.
  - a. Boats which receive an OCS notification shall exonerate themselves according to the starting flag in use and/or receive a scoring penalty.
  - b. The *RaceSense* system does not replace Section 9 of these SIs for starting sequence signals, flags and hailing attempts.
